SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Atty. Dkt. No.: 1944-00201

Date: April 4, 2003

Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with 37 C.F.R. §1.97, §1.98, Applicant is providing herewith a Supplemental Information Disclosure Statement, including completed Form PTO-1449 comprising a list of pertinent art of which Applicant is aware. A copy of each publication listed on Form PTO-1449 is enclosed herewith. This information is supplemental to the Information Disclosure Statement, Form PTO 1449 filed on September 11, 2002, and the references provided therewith.

The submission of this Supplemental Information Disclosure Statement and the references provided therewith is not an admission that the art cited is "prior" with respect to the present invention, nor is it a representation, that no better art exists. Applicants hereby reserve the right to swear behind or otherwise disprove any alleged "prior" nature of any art cited should the facts support and the situation warrant such an action. It is submitted that the art cited does not constitute a bar to the patentability of Applicant's invention under 35 U.S.C. § 102 or § 103.
